

ONLINE SHOP DESIGN

We create a personalized online shop that suits all your needs. With the possibility to manage, promote and sell your products under a platform customized to your business line, from where you can manage orders and payments, and connect with other selling platforms (i.e. Amazon), While having direct access to your social media networks, which will allow you to share your products and promotions Immediately with your customers.

Your e-commerce portal will allow users to:

- » Manage purchases from the integrated shopping cart.
- » Add favorite items to a wish list.
- » Place orders and make payments securely on the web through systems like Paypal or Amazon Payment.
- » Confirm payments made by bank transfers.
